

Transparent PVC Sheath Soft Copper Grounding Wire 2.5-10 mm²

Category: Grounding, Earthing & Lightning Protection

Product code: grounding-wire-pvc-copper-2-5-10mm2

Flexible transparent-PVC insulated stranded copper grounding wire in 2.5, 4, 6 and 10 mm² conductor sizes, made from 0.18 mm copper strands for easy routing in panels and earthing runs.

SPECIFICATIONS

Product Name	PVC Insulated Soft Copper Grounding Wire
Model Number	YJH Soft Copper Wire
Cable Cross-Section	2.5 mm², 4 mm², 6 mm², 10 mm²
Conductor Material	Copper
Conductor Type	Stranded
Strand Diameter	0.18 mm
Insulation Material	PVC
Sheath Colour	Transparent
Shape	Round
Type	Insulated
Application	Electrical work, panel wiring, equipment bonding
Length	100 m coil
Brand Name	YJH POWER
Place of Origin	Hebei, China
