

Single-Head IP67 Solar PV Extension Cable 1000 V / 1500 V (4 / 6 mm²)

Category: Electrical Accessories, Cables & Signage
Product code: solar-pv-extension-cable-single-head-ip67

IP67 single-head solar PV extension cable with one pre-fitted connector, tinned copper conductor and XLPO insulation, for array runs that terminate at a junction box or inverter.

SPECIFICATIONS

Product Name	Single-Head Solar PV Extension Cable
Configuration	Connector fitted at one end
Rated Voltage	1000 V / 1500 V DC
Cross Section	4 mm², 6 mm²
Conductor	Tinned copper
Insulation Material	XLPO
Colour	Red and black
IP Rating	IP67
Lengths	1 m and above (matched red and black leads)
Feature	Waterproof, weather resistant
Certificates	CE / RoHS
Application	Photovoltaic power, solar energy systems
Brand Name	YJH POWER
Place of Origin	Hebei, China

STANDARDS & CERTIFICATIONS

- CE
- RoHS
